
Письмо из Оргкомитета XXIV Всемирного философского конгресса

Уважаемые коллеги!

Ниже публикуется письмо, полученное нами из Оргкомитета XXIV Всемирного философского конгресса (13-20 августа, 2018 г., Пекин, Китай).

Поскольку нас часто спрашивают относительно приглашений для участников конгресса, напоминаем, что Китайский Оргкомитет конгресса еще не посылал никому таких приглашений, так как данный вопрос все еще находится в стадии согласований с Китайским министерством иностранных дел.

Мы надеемся, что скоро этот вопрос будет решен, и зарегистрированные участники конгресса получат приглашения.

Однако больших проблем с визами не должно быть, так как множество турфирм легко делают визу в Китай в кратчайшие сроки без всяких приглашений. Ряд наших коллег именно так уже и поступили.

С пожеланием успехов!

* * * **Dear Colleagues, 尊敬的同事,** I hope that this message finds you all well. As you may have noted, the deadline for submitting a contributed paper has passed. We have received about 4500 submissions. Above all, I want to thank you all for helping us collect so many papers from all over the globe. It is a fantastic job! Since we have received a large amount of online and email submissions in the last two months, some papers have not been sent for review. Our team will do its best to send them to you in the rest of the week. We are wondering if we can ask a great favor of you to return the evaluation results **before 17 April**. We are very sorry for not being able to leave more time for you to read the papers since the Congress is coming soon. After 17 April, the executive committee of the Congress will assign a special team to review the papers that have not been evaluated. Thanks in advance for your understanding. We have already received some inquiries about invitation letters, visa applications and accommodations. We are still waiting for the final approval of the Ministry of Foreign Affairs to send you the invitation letters. Hopefully this problem can be resolved in the very near future. I also want to remind you that the hotel booking system, flight reservation system, and travel registration are all online now. Please check our official website for further details. (<http://wcp2018.pku.edu.cn/yw/index.htm#>) I will write to you later when I have an exact number of accepted papers for each contributed section. My colleague will also contact you about invitations, visa, programs and other practical issues. Thanks again for your contributions to the World Congress of Philosophy. **With best wishes, Tianyue Wu** Associate Professor Department of Philosophy Vice Director Centre for Classical and Medieval Studies Peking University, 100871 Beijing, China P.
